Online Accent Acquisition Training for Mission Priests

**Purpose** - training is intended to give international priests skills for producing a more standardized North American accent that will allow them to proclaim the Gospel and other liturgical texts in a listener-friendly manner for U.S. audiences.

**Certified Trainers** – our online accent trainers are certified in the Compton P-ESL method, which has been used successfully by thousands of clients in areas such as film, customer service, and international business. More information about the Compton P-ESL method is available at [http://www.ajcomptonpesl.com](http://www.ajcomptonpesl.com).

**Individualized, Online Face-to-Face Training** – using a web-based audio/video communication program, trainers and students meet online for one-hour sessions over twelve consecutive weeks. A computer with webcam, speakers and high-speed internet is required.

**Typical Results** - if practiced daily for at least one hour over the 12-week training period, typical results of at least 50% better clarity and accuracy in North American speech can be expected. A final report detailing both the areas of improvement and those benefiting from continued practice is provided at the conclusion of training.

**Pricing** - $1000 per student. Price includes:
- Online comprehensive accent assessment
- Lifetime access to online accent software or workbook with audio CD
- Twelve hour-long individualized online sessions with trainer
- Final report noting both successful improvements and areas for continued practice
