The UnStable is the campus pub, managed and operated by students. A place for seminarians, graduate theology students, co-workers, retreatants, and guests to relax and enjoy camaraderie. Guests are to be accompanied by a seminarian, graduate student, co-worker, or member of the monastic community, unless the UnStable is reserved for a particular group, program or activity as approved by the student manager of the UnStable. **Group reservations can be made in advance at unstable@saintmeinrad.edu.**

The original UnStable was established in 1970 in the lower level of Marty Gym and was lined in rustic barn wood (hence the name). In 2013, it was relocated to the former bowling alley in St. Martin Center. You can view a portion of the alley flooring at the square table in the barroom.
